

DINKY BUILDER

THE SIMPLE BUILDING TOY

Simplicity is the keynote of this fascinating building system. With Dinky Builder hinged plates and rods, the younger children can build all kinds of models with the greatest ease—Lorries, Furniture, Buildings, Wheel Toys, Windmills and scores of others. The parts are enamelled in blue and yellow and can be used over and over again. Nuts and bolts are not used in this system. A Dinky Builder Outfit No. 1 can be converted into a Dinky Builder Outfit No. 2 by the addition of an Accessory Outfit No. 1a.
